Dear Judge John G. Koeltl

My Name is Luz Rodriguez and I am  
the mother of Ivan Perez.

Your Honor, I've decided  
to write you this letter because I wanted to ask you  
on behalf of my son (Ivan Perez) to please show  
some leniency upon him at sentencing if you  
can for my sake. You see your honor, I'm currently  
a widow due to the passing of my late husband  
(Ivan Perez Sr.) 4 1/2 year old. Since then I've  
been living by myself and continuing to work for  
"Atlantic Express" a school bus company - for  
the last 15 years. In addition, I also suffer  
from Hepatitis (C). And other sicknesses, depression with  
gluteal pain. As you can see your honor, I do have a  
few burdens that I have to carry on my  
shoulders. Never the less; I'm pretty fortunate  
to have my two sons (Ivan + Edwin) around to help  
me along because sometimes things get very hard  
for me to handle by myself. In conclusion your honors  
and with all due respect, I would be very grateful to  
you and the court if you can use your discretion and  
give my son a fair and just sentence for his criminal  
acts) in this case.

Thank you for your attention  
and respectfully yours, cooperation

X Liz Rodriguez

Dear Judge John G. Hoeft

My name is Veronica Guinnes  
and I am the fiancé of Ivan Perez  
your honor, I'm writing you to let you  
know what a good person, father and  
fiancé Ivan is to me, his 4 yr old daughter  
Jaylene and his 8 yr old stepson Anthony  
despite his involvement in the case, now  
your honor, by no means am I trying  
to overlook or justify Ivan's involvement  
in the case or asking you too, but they  
say "you can't always judge a person  
by his/her bad deeds" Nevertheless,  
I do believe that Ivan was not only  
wrong, but he should of really considered  
his family first and the consequence  
of his actions before breaking the  
law and/or engaging in anything  
criminal or any criminal activity,  
your Honor, I'm hoping with  
this in mind coupled with the  
fact that I really need him home  
as soon as possible to help me out  
financially, help raise our family  
and do the right for the sake of  
our children. - I would like to ask  
you and the court at this time  
to please be lenient and fair  
in regards to Ivan's sentence  
Thank you very much for taking

the time to read and consider my  
letter and discretion would be greatly  
appreciated if granted!

Respectfully yours

Dear Judge John G. Koeltl

My name is Edwin Perez  
I'm Ivan's brother, Your honor,  
I felt a need to write you because  
I wanted you to know first hand  
from me that I truly believe that  
I'm partially to blame for Ivan's  
actions and poor decision making.  
I really feel that I have failed  
him as a brother.

Your honor, I say this because  
being in a position as a position as  
a building maintenance supervisor  
in which I can hire people, I think  
I could of done a little better by  
looking further into my brother's  
well being and making sure he's  
okay as a person overall and  
financially.

With this being said your

honor, I would like you to  
know that I have a position  
ready and waiting for him when  
he gets out. In addition your  
honor, at this point, I would  
like to beg the court to please  
show leniency on my brother  
on the day of sentencing.

Thank you!

Respectfully yours

Edwin Perez

Dear Judge John G. Kaelth:

My name is Pedro Sierra, and I'm a good and long time friend of Ivan Perez. Your honor, I'm writing this letter to you on behalf of Ivan Perez as a friend and also as a reference to him as a person whom I know very well and for approximately 15 years.

Your honor, I know at this point it's not much that I or anyone for that matter can say or do to prevent Ivan from being in prison or serving time for his criminal endeavors and participation in this case. However, being a true friend and being an employee for the Bridges & Tolls Authority, as a maintenance worker, I know that at some point in time in our lives, we all do make mistakes sometimes.

In conclusion and without further or do your honor, I would like to beg you and the court to Please

consideration in this matter.

Respectfully yours  
Pedro Sierra
